TEMPORARY ELECTRICAL LICENSE APPLICATION

Address of Property: _____

Electrician's Name: _____

Doing Business as: _____

Telephone: _____

Applicant must furnish a certified copy of their license (with embossed seal or original signature) as a Master Electrician from another reciprocating municipality of this state in which the controlling code for electrical installation is the National Electrical Code. We keep the license. This must be done each and every time a temporary license is needed.

Section 6-119 Special electricians' license

An individual licensed as an electrician in another municipality of New York State shall be eligible for a special license in the City of Poughkeepsie from the Examining Board of Electricians without the necessity of complying with the provisions of Section 6-112 of this chapter, provided that the Examining Board of Electricians determines that the licensing municipality has adopted and followed the same electrical codes set forth in Section 6-93 of this chapter, requires the same or substantially the same qualifications to license the electrician in the City of Poughkeepsie, the licensing municipality agrees in writing to reciprocate by permitting electricians licensed by the City of Poughkeepsie to perform electrical work in that jurisdiction without the necessity of obtaining an electrician's license in that jurisdiction and provided a certificate of liability insurance as set forth in Section 6-113(b) is submitted. Said special license shall be required before each job is performed. The fee for such license shall be **$250 per electrical job up to $10,000, $650 per electrical job from $10,000 to $100,000, and $1,500 per electrical job in excess of $100,000.** (Ord. of 3-1-1993, § 10; Ord. of 10-19-2005,EN § 1)
