YARD DEBRIS

Curbside pickup of yard debris and leaves occurs every Wednesday, from April through November. Yard debris includes small branches no thicker than two inches in diameter and cut into three-foot sections. As with refuse, place at curbside no earlier than 5:00 p.m. on Tuesday. If July 4th holiday falls on a Wednesday, there will be no pickup of yard debris that week. You have three choices on how to put material out for pickup: (1) Place it in a biodegradable paper bag or, (2) Place a clean garbage can (no trash material in it) ; or, (3) If it is just brush and branches, tie and bundle it. All of the listed methods require that the material be no longer than three feet so it will fit in the City truck.
