## APPLICATION FOR PERMIT TO CUT OR LOWER CURB

Name

Address

Property Address

City Zoning

Reason for Curb Cut

Will this curb cut create a traffic hazard?

Yes

No

Explain how this proposed curb cut will or will not change the character of the neighborhood

Explain why this proposed curb cut is in the interest of the public welfare

Application is hereby made to cut (lower) the curb at the above address, in accordance with Chapter 15.26 of the Code of Ordinances of the City of Poughkeepsie: "An Ordinance providing the Method and Manner of Obtaining Permits to Cut or Lower Curbs," and submit herewith the required information set forth in the ordinance.

A sketch is attached showing the following information:

1. Total frontage of property in feet and elevation if above street level.
2. Distance from either side of property to the nearest edge of the requested curb cut.
3. The width, length and location of the requested curb cut.
4. The location of any tree or public utility that may fall within or in close proximity to the requested curb cut.
5. The width of the sidewalk.
6. The width of the strip between the sidewalk and the curb.
7. The material of which the sidewalk is made.
8. The material to be installed in the apron (between curb and walk).
9. The material to be used in the driveway.
10. The type of traffic, i.e., passenger cars, truck, etc., that will use the driveway.

The applicant agrees to comply with the specifications for and regulations of this work as set forth by the Department of Public Works.
