

RESOLUTION No. 3

**A RESOLUTION OF THE POUGHKEEPSIE PUBLIC ARTS COMMISSION
SUPPORTING THE HISTORIC DISTRICT & LANDMARK PRESERVATION COMMISSION'S
DECISION REGARDING 36 NORTH CLOVER STREET IN THE CITY OF POUGHKEEPSIE**

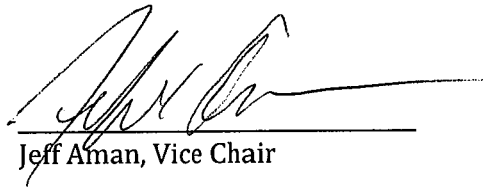

In recognition of the Historic District & Landmark Preservation Commission's (HDLPC) decision on the proposed development at 36 North Clover Street, the Poughkeepsie Public Arts Commission (PPAC) urges the Common Council to support the HDLPC's decision and to engage the local arts and tourism community to develop an alternative plan that preserves the property and reimagines it as a gateway project, similar to that of the Underpass.

The PPAC makes this recommendation in recognition of the City's current economic and development realities and offers to assist the Common Council and City administration as necessary to make the proposal voiced by the local arts and tourism community a reality.

Resolved this 21st day of March, 2019.
